

**WTO Chair Office at the University of Jordan issued
Volume 1 of all
Research Papers Funded by WTO Chair Program at
the University of Jordan- Faculty of Business during
(2010-2013)**

The comprehensive book contains professional research papers that are specialized in the field of international economics and the World Trade Organization's related issues and its applications to the Arab economies in general and the Jordanian economy in particular. The research papers were prepared by faculty members from the University of Jordan and other local universities and were financially supported by the World Trade Organization chair program, during the period (2010 to 2013).
